

MADE OF WHAT?

"Maid of Culture, ere we part,
Take, oh, take it back—your tart!
Though you've been to cooking school
Though you know the Boston rule—
How to mix and how to bake—
Still, I do not like your cake!"

"Maybe you will like it—try?
I'm no connoisseur in pie,
Ere I sink beneath it, please
Take it! I'm a man of peace.
So I tell you—from afar—
It would sink a man-of-war."

"I like you, BRYAN, and I would rather agree with you than eat, but I can't do it. I think you are making mistakes and I cannot support your theories. Your trouble is that you are making yourself bigger than your party. You want to dictate too much what shall be in the platform, and you should not do it."

THE press of the country is appealing to shoppers to do their Christmas buying early, but the dear public may consider it a chartered prerogative to join in the football rush of Christmas week, and especially on Christmas Eve, to push and shove and elbow and tackle a la Greek, catch-as-catch-can, or any other old way, to fight its battle to the bargain counter. Some shoppers will risk their wearing apparel and even their lives in the mad rush for a 98-cent bargain. But these matters are, after all, merely the spoils of commercial trade. Anyhow, be wise this year and do your shopping early and thus be merciful to the girl behind the counter, and at the same time cut out the frenzied bartering for bargains.

STAR WITNESS

Testifies in the Caleb Powers Case
—Like a Twice Told Tale is Old Evidence

The commonwealth prosecuting Caleb Powers for the Goebel murder, called Henry Broughton, one of its star witnesses yesterday morning. Broughton was one of the men in charge of arms deposited in the adjutant general's office on January 25th, when the people assembled in Frankfort to guard against the stealing of the offices of the Republicans. He said Powers asked him for the name of a man who would kill Goebel and that he named Jake Vandever, Frank Cecil and Zack Steele. Powers had told him to be ready and a messenger came in a day or two and notified them that the fight was about to start.

John A. Black, hawker of Barboursville, told about a talk with Powers in which Powers said that he wanted these men to go and protect their rights.

Judge J. D. Black of Barboursville quoted from a letter written by Powers to Acting Postmaster Stevens at Barboursville, in which Powers said he was responsible for the disorganized condition of the Democrats, and that he was in favor of war. This was before Goebel died and after he had been shot.

James Fletcher was placed on the stand to try to show that John Powers had said in a crowd in Barboursville, "Taylor has been elected. Goebel is trying to count him out. We, as true Republicans, don't propose to let him take his seat."

BABY TORTURED BY ITCHING RASH

Face and Feet Covered—Rest Broken and Would Cry Until Tired Out—"Cradle Cap" Added to Baby's Torture—Tries Cuticura Soap and Cuticura Ointment.

IMMEDIATE RELIEF
AND SPEEDY CURE

"My baby was about nine months old when she had rash on her face and feet. Her feet seemed to irritate her most, especially nights. They would cause her to be broken of her rest, and sometimes she would cry until she was tired out. I had always used Cuticura Soap myself, and had heard of so many cures by the Cuticura Remedies that I thought I would give them a trial. The improvement was noticeable in a few hours, and before I had used one box of the Cuticura Ointment her feet were well and have never troubled her since. I also used it to remove what is known as 'cradle cap' from her head, and it worked like a charm as it cleansed and healed the scalp at the same time. Now I keep Cuticura Ointment on hand in case of any little rash or insect bites, as it takes out the inflammation at once. Perhaps this may be the means of helping other suffering babies. Mrs. Hattie Currier, Thomaston, Me., June 9, 1906."

HAYSWOOD HOSPITAL

Informal Opening Last Evening a Very Subdued Function--Dedication in a Few Weeks

The informal opening of the Hayswood hospital took place last evening and the entire building was ablaze with incandescent brilliancy.

The institution is now ready for any medical or surgical emergency, but the complete hospital equipments have not been installed, nor even received from the manufacturer.

However, the munificent gift of Mrs. May V. Wilson and the intelligent energy of Dr. Thomas E. Pickett, chief director, is much in evidence, and it will now be only a brief few weeks until the hospital receives its finishing touches. It now looks resplendent in its new garb of white paint and the old structure has an appearance of rejuvenation in its wide, terraced blue-grass lawns and its splendid setting against the eternal hills all overlooking the city and the broad Ohio.

The lecture of Dr. A. N. Ellis, bearing upon Hayswood and similar institutions from the viewpoint of the student and traveler, was replete with historic and general interest and was delivered in the High School building where it was listened to with marked attention.

Boston Banker Says His Life Has Been Hopeless for that Length of Time.

Carlton H. Hutchinson, a leading banker and broker of Boston, with offices at 8 Congress Street, in that city, has recently come out with a very strong statement.

In the widespread discussion over Cooper's new theory and medicines which has spread over the country so rapidly, Mr. Hutchinson has taken the side of those who say that Cooper's theory is correct and his medicine all that he claims.

Mr. Hutchinson's emphatic statement is as follows: "Anyone afflicted with chronic ill health and a general run-down condition caused by stomach trouble, who does not try this man Cooper's medicine, is very foolish. I say this after a most remarkable experience with the medicine."

"I heard of Cooper's success first when he was in Chicago, as I have a private wire to that city in connection with my business. Later, when he came East, I learned more of him and his theory that stomach trouble causes most ill health. I have had no faith in anything not prescribed by a physician for each particular case after careful diagnosis, but after eight years of constant suffering, during which

time I spent over \$1,500 with absolutely no relief, I felt that it would at least do no harm to try the medicine which I was hearing so much about.

"During these eight years I have been forced to go without solid food for five and six weeks at a time. I always had a sour stomach, was troubled with formation of gas, and led the usual miserable life of the dyspeptic. I was dull, tired, nervous and gloomy all the time, and was always constipated.

"I have taken Cooper's medicine a comparatively short time. For the past month I have not had the slightest sign of stomach trouble. I can eat anything with no bad effect whatsoever. I have a fine appetite, am gaining flesh very rapidly, am cheerful, full of energy, and my nervousness has disappeared. My bowels are in perfect condition for the first time in eight years.

"I don't hesitate to say that I would not take \$50,000 and be back where I was. My relief and thankfulness is beyond description."

None will be greater missed from our circle than the presence of dear "Aunt" Julia Stubbie-Field. She has been to all a mother, an angel in our midst. For years we have known her with the same beautiful snowy, white hair, the soft gentle voice and a manner which none could know but to love her. We could not point to another who possessed so many traits which belong only to true woman, the woman God would have them be. Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedy. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are cured by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Men's, Young Men's & Boys' CLOTHING

This store fulfills the highest possible mission of a modern retail establishment, in fact, our ambition is not so much to have the biggest business as it is to have the best business in the city. If bigness comes, as it often does from a policy of creating a new standard of quality, then we accept bigness as the result of our efforts rather than the object of them. If you want distinction in your clothes, a style and pattern that will separate you from ordinary dressers, appearance that gives an air of refinement, there is but one store to visit.

OUR CLOTHING IS NO BETTER than our SHOES

DEPOT DESTROYED

Queen and Crescent Sustains Big Loss by Fire at Somerset

At Somerset the big passenger depot of the Cincinnati, New Orleans & Texas Pacific railroad caught fire at midnight and burned to the ground, destroying the offices of the chief train dispatcher, chief clerk, superintendent, ticket office and all the employees' departments in these offices. The loss is about \$40,000. The origin of the fire is unknown.

That being a division of the road, and all the

main offices being destroyed by the fire, it places the company at a disadvantage, at present, in handling their business at that end.

Plans have been in the hands of an architect for some time for a new depot at that place, to cost \$100,000.

HOUSEHOLD CARES

Tax the Women of Maysville the Same as Elsewhere.

Hard to attend to household duties With a constantly aching back. A woman should not have a bad back. And she wouldn't if the kidneys were well. Doan's Kidney Pills make weak kidneys. Here is a Maysville woman who endorses this claim:

Mrs. Lizzie Bridges, of 206 West Third street, Maysville, Ky., says:

In March, 1900, I gave a testimonial recommending Doan's Kidney Pills and in it I told how I learned the great value of this remedy. I had been troubled with a bad back and weak kidneys from girlhood and in my efforts to find a cure tried every medicine I could find but without benefit until I began using Doan's Kidney Pills. They proved just the remedy I needed. They went right to the cause of the trouble and as a result brought relief that led me to testify in their favor. I have never been without Doan's Kidney Pills in the house since. Every spring I take a box whether symptoms of kidney trouble are apparent or not, and in this way keep the kidneys in good condition and guard against attacks of my old trouble."

For sale by all dealers. Price 50 cents a box; Foster-McIlwain Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
